

1

Build Noah's ark

Fine Motor

Bible content

Creativity

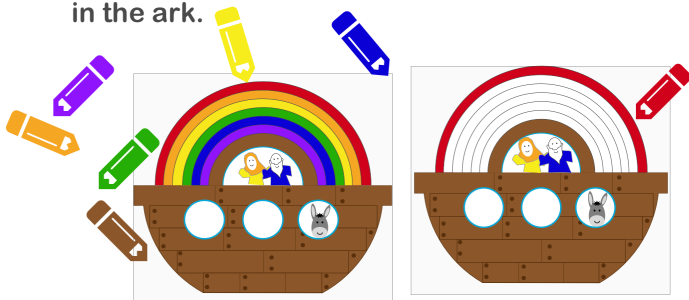

WARNING! CHOKING HAZARD -
Small parts. Not for children under 3 years.

INSTRUCTIONS

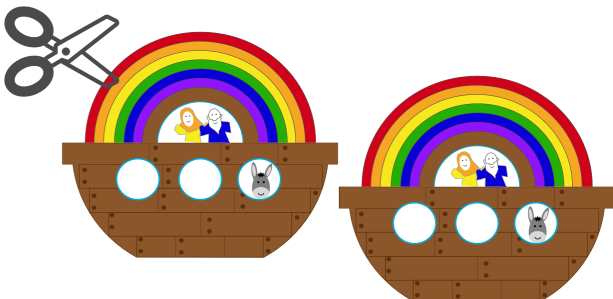

1

Color both sheets. Use the colors of the rainbow in the right order. You may also draw Noah and his wife and some animals in the ark.

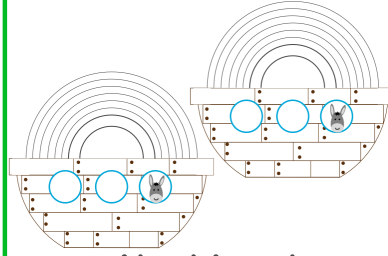

2

Cut out both ark sheets.

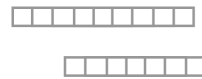

MATERIALS

Noah's ark
sheets

wooden
basket

sticky
squares

crayons

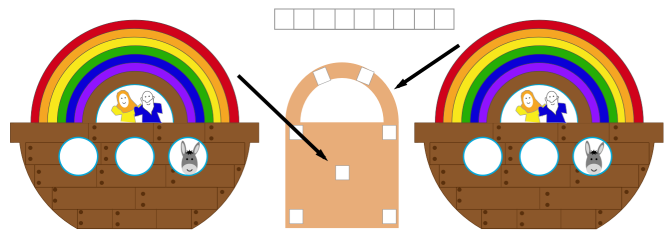

AT HOME ITEM

scissors

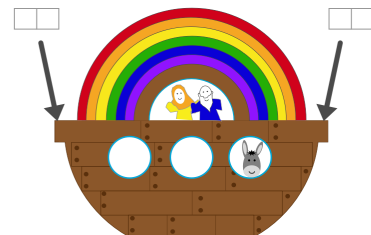

3

Put sticky squares on both sides of the wooden basket. Then press your ark pages onto the front and the back of the basket.

4

Use the rest of the sticky squares to attach the front and rear parts of the ark.

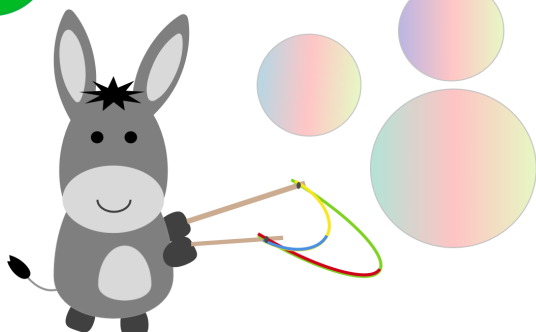

Put your ark in a special place or on your desk. Use it as a pencil holder or to play the matching game. Remember that God keeps His promises!

2

Make giant rainbow bubbles

Fine Motor

Gross Motor

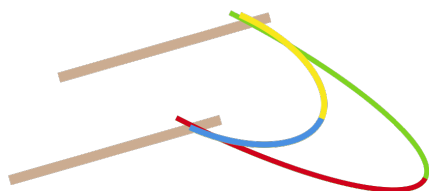

Bible Content

WARNING! CHOKING HAZARD -
Small parts. Not for children under 3 years.

INSTRUCTIONS

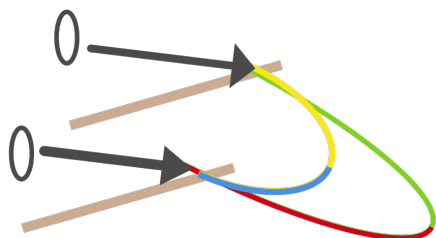

1

Take the wooden sticks, and tie the ends of the two strings onto the end of the sticks.

2

To further secure the strings, wrap the rubber bands around the ends of the sticks and ends of the strings.

MATERIALS

wooden sticks

cotton strings

rubber bands

giant bubble concentrate

AT HOME ITEMS

bowl or bucket

4 cups of water

3

Fill the giant bubble mixture into a bowl or bucket and mix it with the right amount of water.

entire content
of bubble
concentrate4 cups
of water

4

Dip the strings fully into the bowl of bubble mixture. Pull them out slowly keeping the tips of the sticks together. After slowly pulling the two sticks apart, gently wave the sticks creating beautiful bubbles.

Watch and enjoy your bubbles! Look closely. In sunlight, you may see the iridescent colors of the rainbow.
